that was befitting of Unova's Pokemon League today."

Lots of people have released their Pokemon in the past week, and they may also feel guilty watching the League...
Team Plasma has publicized it using fliers and speeches to prove that they're right...
we just have to carry out our duty as the Elite Four
Anyway... even if the date was moved up, our Champion isn't here, and Team Plasma is getting stronger.
just like we always do
and show them our overwhelming power
Battle the challengers

that it was one of the three...

I knew right away

I'm sure that's the case

May-be...

How strange

It must have been fate

...No,

In the end, you also got a Pokedex

I saw it disguise itself as a boy in Castelia City and on Driftveil Drawbridge...

Black!!

And is it true that N's Zoroa disguised itself as a boy to peep at my lab. ..? And maybe Fennel's lab too...

Stop it---

Eek...!!

It's true

Now that I think about it, it may have made the roller coaster in Nimbasa City go berserk too
It pulled some mean pranks on me on the drawbridge

Team Plasma? A mysterious stone? Legendary Pokemon?
All I ever wanted was to simply win the Pokemon League...
All I...
To be honest... I don't understand anything anymore
Before I knew it, I was neck-deep in something bigger than I can even imagine
Black...
All I can do is go home
I only have 7 badges anyway
is no longer in my head . It's just as N said
The simple dream that Musha found delicious...

I have a question about the deadline for participation
When I was a kid, I read the qualifications for the Pokemon League so many times I can recite it
It says that anyone who has gathered all 8 badges *before the tournament* starts can participate

It's already begun
But
This is just the opening ceremony, right? The real tournament begins tomorrow
So you can say that this is right before the deadline
You're splitting hairs

Hmm, so you're using Gothitelle as an antenna to tune into the Gym Leaders' consciousness
Yes
No, we don't know where they are exactly. We only know that they're somewhere in Unova, thanks to Gothitelle's power
